## Team Expectations

- We will use Discord as our primary means of day-to-day communication, as needed.
- All team members must listen to and respect each other's ideas and opinions
- All team members strive to submit our work on time (no later than 48 hours before an assigned deadline)
- Work that solely exists on a team member's personal computer does not qualify as visible.
- If a team member is unable to attend a meeting, all members must be notified before the meeting.
- All team members promise to ask for help when they need it.
